

JULIAN CHANCELLOR

903-204-8060 | julianman087@gmail.com | Austin, TX | [LinkedIn](#)

OBJECTIVE

Mechanical Engineering student at The University of Texas at Austin seeking a mechanical engineering internship to apply hands-on design and problem-solving skills gained through coursework, CAD modeling, and involvement in engineering student organizations.

EDUCATION

The University of Texas at Austin

Expected Graduation: May 2030

B.S. in Mechanical Engineering | Austin, TX

Relevant Coursework:

- Calculus III, Engineering Physics I with Lab, Chemistry I with Lab

Mount Pleasant High School

Mount Pleasant, TX

- SAT: 1450 (Reading/Writing 690, Math 760) | ACT: 31 (Math 33, English 33, Science 26, Reading 31)
- AP World History Exam: 5 | AP Statistics Exam: 5
- Academic Blanket Award (highest course average): Geometry, Algebra II, Physics/Pre-Calculus, AP Physics C
- STEM Dual Credit/AP Coursework: Calculus, Pre-Calculus, Algebra II, AP Physics C, Physics, AP Statistics

TECHNICAL SKILLS

- CAD Modeling: **SolidWorks (moderate proficiency)**
- Fabrication & Prototyping: **3D Printing & E1 Soldering — certified, Texas Inventionworks (TIW)**
- Coursework Foundations: **Calculus-based physics, chemistry, and engineering mathematics**
- Core Competencies: **Problem-solving & analytical thinking, technical teamwork, time management**

ENGINEERING INVOLVEMENT

RAS Robomaster — Member

- Collaborate with a student engineering team designing and building competitive combat/RoboMaster robots, gaining exposure to mechanical design and build processes.

SASE (Society of Asian Scientists and Engineers) — Member

- Participate in a professional engineering student organization focused on technical development, mentorship, and career readiness.

SHPE (Society of Hispanic Professional Engineers) — Member

- Engage with a professional engineering student organization supporting academic and professional development for future engineers.

LEADERSHIP EXPERIENCE

Class President

2025 – 2026

- Elected by classmates to represent the senior class and coordinate class initiatives and events.

National Honor Society — Treasurer (Officer)

- Managed chapter finances and helped organize service projects and events for members.

Saxophone Section Leader, Band Program

- Led and mentored a section of student musicians and ran sectional rehearsals in preparation for UIL competitions.

HONORS & ACTIVITIES

- UIL Academic (Math): District 10 Qualifier in Number Sense, Calculator Applications, and Mathematics (2024–2025); Region 2 Qualifier in Calculator Applications and Mathematics (2025–2026)
- FBLA: State and Nationals Qualifier, UX Design (2025); State Qualifier, Community Service Project (2026)
- UIL State Solo & Ensemble Qualifier (2023–2026); UIL Region IV All-Region Band Qualifier (2021, 2023–2025); UIL State Marching Band Championships Qualifier (2024)
